## GENERAL INFORMATION

The 1958 summer session will be eleven weeks in length, beginning June 9 and ending August 22.

The *first term* will consist of six weeks, beginning June 9 and ending July 18, during which classes will be conducted five days per week.

The *second term* will consist of five weeks, beginning July 21 and ending August 22, during which classes will be conducted six days per week.

Alabama College is now coeducational, open to men as well as to women.

## Admission and Room Reservation

All students who plan to attend should fill the blank on the last page of this bulletin and return it to the Director of the Summer School requesting a regular application form.

A student who is attending another college and plans to be here for the summer school only should have a statement of good standing sent from that college to the Registrar of Alabama College at least a week prior to the opening date of summer school.

## Registration

Registration for the first term will be held Monday, June 9. A late registration fee will be charged for those who register after June 11.

Registration for the second term will be held on the afternoons of July 17 and 18 for those in attendance the first term. Others may register on Monday, July 21. A late registration fee will be charged those who register after July 23.

## COST OF ATTENDANCE

### FIRST TERM

*Room, board, and laundry.....	\$ 75.00-\$ 85.00
College and credit hour fee.....	35.00
Total .....	\$110.00-\$120.00
Out-of-State fee .....	35.00

---

\*The lower charge is made when two persons occupy the same room. These charges are based on the assumption that students bring their own linens.

## SECOND TERM

*Room, board, and laundry.....	\$ 65.00-\$ 75.00
College and credit hour fee.....	35.00
Total .....	<u>\$100.00-\$110.00</u>
Out-of-State fee .....	35.00

## Music fees

Applied music carries the college fee plus a charge of \$2.00 per lesson.

## Private Applied Music Instruction

1 lesson a week, one-half hour.....	\$12.00
2 lessons a week, one hour.....	24.00
Single lessons, one-half hour.....	2.00

Charges for children living in the dormitory with their parent or parents are as follows:

Any child under 8 years of age will pay  $\frac{1}{2}$  of room, board and laundry. A child 8 years of age and under 12 years of age will pay  $\frac{2}{3}$  of the regular rate for room, board and laundry. Any child 12 and over will pay full price for room, board and laundry.

For cost of attending the elementary or high school see pages 7 and 14.

For cost of attendance for special clinics and institutes to be held during the summer school, write to the Director.

**Housing Facilities and Board for Adults and Children**

Room and meals on the College campus will be available for men, women, and for families.

Mature undergraduate students and graduate students may secure room, board, or facilities for light housekeeping in many homes and apartment houses in the town of Montevallo at reasonable rates.

**Refund of Fees**

No fees, except those for room, board and laundry, will be refunded to those students who withdraw after completing their registration for a summer school term.

A student who withdraws before completion of a term is charged \$2.00 per day for room, board, and laundry from the opening of the term until notice of his withdrawal is received by the Dean of Students.

---

\*The lower charge is made when two persons occupy the same room. These charges are based on the assumption that students bring their own linens.

## **COURSES OFFERED**

Courses are offered in art, biology, business administration, chemistry and physics, education, English, history, home economics, mathematics, music, physical education, psychology, sociology, social work, and speech.

By attending the entire eleven weeks a student may complete a year's work in such fundamental courses as biology, chemistry, English, history, and mathematics.

### **Introduction of New Courses and Elimination of Announced Courses**

The right is reserved to introduce new courses for which there is adequate demand and to eliminate courses for which the enrollment is insufficient. Five students per class is the minimum enrollment except in special cases.

### **Teachers' Certificates**

Requirements for the issuance and reinstatement of all of the several types of Alabama teachers' certificates may be met by work completed in summer school. Those interested in securing a certificate through summer school work at Alabama College may obtain full information from the Summer School Director. Those interested in reinstating a certificate are requested to bring their old one with them.

The liberal arts colleges of the state have been allowed to give training for and to apply for the Class D and Class E non-professional certificates, provided teachers applying for these certificates have held lower grade teaching certificates in Alabama.

The Alabama State Department of Education has set up a certificate to be issued until further notice. It is the Defense Certificate and will be issued upon request of a county or city superintendent to a person who has had as much as one year of college work. This is not a regular teaching certificate, and the holder is not entitled to the benefits of the tenure law.

## **THE GRADUATE DIVISION**

Alabama College offers a master's degree program of graduate study in elementary education; supervision; administration; and secondary education with majors in the following fields: art, biology, education, health, physical education and recreation, home economics, psychology, speech and speech correction. These programs lead to the degrees of Master of Art, Master of Science, and Master of Education, and for those qualifying for teaching they lead to the Class A Elementary, the Class A Secondary and the Class A Elementary-Secondary certificates.

Those desiring to begin graduate work this summer should write for the regular session catalog, where the graduate program is described in detail, and also for an application blank to enter the graduate program.

Since one of the requirements for admission to the Graduate Division is a C plus average on undergraduate work, it is important to fill the application and return it to the Registrar or Director of the Graduate Program, together with transcripts of all undergraduate credit, at least two weeks before the opening of the summer session.

In the description of courses given in this bulletin to be offered this summer, courses numbered 300 and 400 which are marked with an asterisk (\*) are open to both graduate and undergraduate students and will carry undergraduate or graduate credit. Courses numbered 500 are open only to graduate students and will carry only graduate credit.

## **WORKSHOPS, CLINICS AND INSTITUTES**

### **Cost of Attendance**

The cost of attending the Workshop Program and Demonstration School for Teachers will be the same as that for attending summer school and taking a normal amount of work. The cost for programs of less than 6 weeks' duration and the cost for the children in the Speech and Hearing Clinic will vary according to the length of time, the type of housing facilities, and expenses of operating the program. For cost and other information about these short term programs and the Speech and Hearing Clinic, write to the Director of the Summer School or to the person in charge of the program.

## **SUMMER WORKSHOP PROGRAM AND DEMONSTRATION SCHOOL FOR TEACHERS**

**June 9-July 18**

The workshop is designed for undergraduate students in elementary education and more especially for those who have had some teaching experience. Participants will observe classroom teaching, read under guidance, make oral and written reports, and join selected interest groups for discussions based on observation and reading.

Those who participate in the workshop must spend their full time in its program. They will select some combination, normally six or seven credit hours, from the workshop courses listed in the offering of the Education Department; and they are not permitted to register for any other courses.

### **Pupils Eligible for Demonstration School — Costs — Living Arrangements**

A limited number of pupils from outside the town of Montevallo can be accepted in both the elementary and the high school. Pupils of parents attending summer school at Alabama College will be given preference in attending the demonstration school. Elementary school pupils will be charged a registration fee of \$10.00, and pupils in the high school will pay a registration fee of \$15.00. Demonstration school pupils may live with parents in a college dormitory or make living arrangements in town. For dormitory costs see pages 3 and 4.

### **INSTITUTE FOR HIGH SCHOOL SCIENCE TEACHERS**

**June 9-July 18**

A federal grant for an Institute for High School Science Teachers was made for the second time to Alabama College for the summer of 1958. Courses in biology, physics, chemistry, and mathematics for the sciences will be given for the high school science teacher. The science courses will carry graduate credit, and the mathematics course will carry either undergraduate or graduate credit.

Scholarships have been awarded for science teachers in Alabama and neighboring states. A limited number of regular summer school students may enroll for one of these courses by special permission.

A description of the courses will be found under the departments of biology, chemistry and physics, and mathematics.

### **Speech and Hearing Clinic**

**June 9-July 18**

Alabama College will provide living accommodations for elementary and high school children with speech and hearing defects. The six-week clinic affords for these children the therapy so vital to the child and, at the same time, provides opportunity for supervised therapy training for speech correction majors and for observation to other interested professional personnel.

For further information write to Dr. Laura Wright, Alabama College.

### **Speech Workshop for High School Students**

**June 9-21**

The Speech Department is offering this summer a workshop for high school sophomores, juniors and seniors who wish to learn more about such activities as discussion and debate, radio and

television, interpretation of literature, and the theatre. Enrollment will be limited to twenty-five. For information concerning enrollment and cost write to Dr. Laura Wright, Alabama College.

### **Mental Health Workshop**

**June 16-27**

Under the direction of Dr. H. Edmund Bullis, an outstanding expert in the field of mental health, with the assistance of several mental health workers in Alabama, Alabama College will conduct a mental health workshop, primarily for teachers and social workers. The workshop is sponsored by the Mental Health Division of the State Health Department, and by the Alabama Association for Mental Health. Some scholarships are available to teachers for this workshop. The workshop will carry no credit.

For more detailed information write to: Dr. E. P. Lauderdale, Alabama College, Montevallo, Alabama.

For information about scholarships write to: Alabama Association for Mental Health, Howard M. McManaway, P. O. Box 4033, Mobile, Alabama.

### **DEPARTMENTAL OFFERINGS**

## DEMONSTRATION SCHOOLS

The Elementary School will operate for six weeks. The Senior High Demonstration School will operate one term of eight weeks.

The registration fee will be \$10.00 for the Elementary School and \$15.00 for the Senior High School.

A student may earn a maximum of one unit of work in the Senior High School. This may be one unit in a single subject or two half units. No fee will be charged other than the registration fee.

Elementary or Senior High pupils outside of Montevallo will be admitted to the Demonstration Schools. Pupils desiring work in either of the two divisions should make application as early as possible. Children whose mothers are in the Summer School will be given preference in the Demonstration Schools.

Elementary or Senior High pupils outside of Montevallo will be allowed to live in the college dormitory provided they are living with their parent or parents.
